📏 151 m² Floor Area

Spacious unit undergoing a full renovation; enquire before it is finished!

Welcome to this stunning two-bedroom plus study home, located in a peaceful community and designed for a luxurious lifestyle. From the moment you step in, the high ceilings and spacious layout of this home will impress you. The low-maintenance garden is perfect for those who enjoy gardening but prefer to spend less time on maintenance. The unit is undergoing a top-quality renovation and will include a kitchen with brand-new stainless steel appliances, along with new cabinetry and other modern finishes. The renovations are set to be completed by mid-June, and we will provide all the necessary information you need before booking a tour.
