Spacious Courtyard Living Opposite the Community Centre

Generous living and dining spaces set the scene for relaxed days at home, while a large, paved courtyard provides room to enjoy the outdoors. Currently undergoing refurbishment, the home will feature a new kitchen with stone benchtops and modern appliances, plus a brand-new bathroom. Split-system heating and cooling and a European laundry add everyday comfort and convenience. With side-street access from the courtyard and the community centre directly opposite, village life is close at hand.
